

A Paw in the Door Surrender Policy

- Surrendering cat owners will provide the completed surrender application, provide a valid email address, telephone number(s) and the telephone number(s) of their veterinarian(s).
- A surrender date will be scheduled with A Paw in the Door prior to surrender.
- Vaccines and vet care will be current prior to surrender. A Paw in the Door offers payment plans for vaccinations and other necessary medical treatment.
- The surrender application and this surrender policy will be signed by all parties prior to surrender.
- Surrenderers will provide medical records including vaccination dates, spay/neutering information and any other medical treatment records.
- Surrenderers will pay a surrender fee of \$35 per cat due at the time of surrender. A Paw in the Door offers surrender fee payment plans.
- Surrender fees will not be deposited until A Paw in the Door has possession of the cat(s).
- At the time of surrender the cat(s) becomes the sole responsibility of A Paw in the Door. A Paw in the Door is under no obligation to gain permission for or provide information on any future actions or decisions regarding the surrendered cat(s).
- A Paw in the Door reserves the right to refuse any surrender.
- Surrenderers are 18 years of age or older.
